VinSunto

Based in Southern California, VinSunto Inc. has developed unique and quality Vinothrapy beauty product lines since 2001. The key ingredient of VinSunto products line is grape seed oil.

Vinsunto Products:

- **Vinothrapy Magic Candles:** Warm Moisturizer, Massage Oil & Aromathrapy Candles, All in ONE.
- **Grape Silk:** Vinothrapy Face & Body Moisturizer.
- **Casablanca:** Hair Treatment Elixir with Grape Seed & Argan oil from Morocco.

Why Vinothrapy/Grape Seed?

For centuries, those seeking enhanced youth and beauty have turned to wine to firm aging skin, slow down and reverse the visible effects of aging and sun damage, and restore a fresh, youthful appearance. The magnificently beautiful Egyptian Queen Cleopatra was known to bathe regularly in a specially prepared bath filled with wine as part of her skin care ritual.

Originally researched as a treatment for skin cancer, studies have shown the grape seed molecule to be 10,000 times more powerful than Vitamin E in combating free radicals, one of the major causes of damaged and aging skin.

While the beneficial qualities of Vinothrapy products abound, these precious nutrients are not readily available without significant effort. One metric ton (2,204 lbs. or 1,000 kg.) of grape seeds is necessary to produce one kilogram of the grape seed used in beauty and spa cosmetic products.

Grape seed oil contains higher levels of calcium, iron, and zinc than the extracts from any other fruit. This may in part account for the fact that Vinothrapy beauty treatments reduce the number of skin blemishes and breakouts after a single use and significant results are noticeable after repeated use for many spa clients. This creates a high demand for Vinothrapy spa and beauty products.

Today, researchers are well aware of the extremely high levels of antioxidants contained in grape products- and spas around the world are eagerly incorporating Vinothrapy products into the treatments offered to their most exclusive clients.

VinSunto

VinSunto 公司总部设南加州，自 2001 年以来已研发出独特和优质的葡萄理疗美容产品。VinSunto 产品的关键因素是葡萄籽精华油。

Vinsunto 产品:

- **葡萄理疗神奇蜡烛:** 暖霜、按摩油、香薰蜡烛三合一
- **葡萄籽精华油:** 葡萄理疗脸部与身体润肤油
- **卡萨布兰卡护发精华:** 由葡萄籽精华和摩洛哥坚果油精制而成

为什么选葡萄理疗、葡萄籽?

数个世纪以来，那些追求青春靓丽的人们已经相继使用葡萄酒来抗衰老和防御肌肤的晒伤，从而令肌肤变得青春自然。众所周知，美丽动人的埃及艳后克利奥帕特拉就是定期使用这有护肤功能的葡萄酒，永葆青春妩媚。

在治疗皮肤癌症的研究数据中表明，自由基是引起皮肤损害和老化的主要原因之一，而葡萄籽分子在对抗自由基比维生素 E 的威力强大一万倍。

虽然优质的葡萄理疗产品很多，但这些珍贵的营养成分需要经过多次提炼才可取得。葡萄籽油的提炼需要大量葡萄籽：约一吨葡萄籽才能提炼出一升用于美容品的葡萄籽油。

比任何其他水果提取液，葡萄籽油含有更多的钙，铁和锌。这也解释了仅做一次葡萄美容理疗就能减少皮肤瑕疵的原因，许多客户多次重复使用葡萄理疗神奇蜡烛后，肌肤得到明显的改善。这也使葡萄美容护理产品的需求量得到很大的增长。

如今，研究人员清楚知道葡萄产品含有很强的抗氧化剂，世界各地的 SPA 都热切纳入葡萄理疗产品以便供应给他们最高级的客户。
